## The Wellness Pyramid

The dōTERRA Wellness Pyramid was created with foundational health principles in mind that build on each other. Think of your health like stacking blocks—if you remove the foundation, it all topples. Nutrition, digestion, movement, and metabolism impact all other aspects of your health and well-being.

Inspired by the dōTERRA Lifelong Vitality Pack®, these two products come together, making it easy to enjoy taking omega-3s, whole-food nutrients, vitamins, and minerals in convenient liquid and chewable forms.

The dōTERRA Kids Oil Collection is the complete whole-body essential oil toolbox designed to empower caregivers to confidently care for the health and wellness of little ones.

The dōTERRA Emotional Aromatherapy® line supports emotional health for the entire family and can be applied every day to specific points on the body to help balance and brighten changing moods.
